Sir;

I have the honour to state that the sanctioned budget for 1941-42 provides a sum of Rs 25,124/- under establishment charges for the year but the expenditure under this head will be about Rs 31,300/- The excess is mainly due to the fact that the moiety of the salary of the President and Engineer for some of the previous years as noted in the margin, payable by the Trust Board and adjusted by the Municipality in their accounts against their dues to the Board, was taken into the account only during the current year as these adjustments had not been noted The excess has however been met by savings in other items The moiety of the salaries is an inevitible expenditure for the Board and had to be adjusted to clear several items outstanding under Suspense Accounts I request that sanction of Government may kindly be obtained for the excess incurred under this head in the circumstances explained above

February 1938 to April 1938	Rs 1,289 0 0
May 1938 to September 1938	2,810 0 0
April 1939 to June 1939	1,656 11 0
Total	Rs 5,755 11 0

2 Similarly a sum of Rs 2,822/- out of the contribution payable by the Board for tarring roads for 1938-39 had been adjusted by the Municipality against their dues to the Board for supply of materials This adjustment was also taken into account during the current year There will therefore be excess to the extent in the provision of Rs 14,400/- made under repayment of loans and contributions I request that sanction may kindly be communicated for the above excess

3 I wish to add that these were observed while reviewing the suspense accounts and also adjustment of old outstandings between

the Trust Board and the Municipality

4 In order to avoid such belated adjustments, I have asked both these Offices to send each month bills payable by the other body and adjust the net amount by the issue of a cheque by the one or the other as the case may be

I have the honour to be,

Sir,

Your most obedient servant,

B Rasharendra B
